#### INDEPENDENT AUDITOR'S REPORT

Board of Directors and Management Friends of the Museums of Florida History, Inc. Tallahassee, Florida

#### **Report on Audit of the Financial Statement**

#### **Opinion**

We have audited the accompanying financial statements of the Friends of the Museums of Florida History, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Friends of the Museums of Florida History, Inc. as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Friends of the Museums of Florida History, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Friends of the Museums of Florida History, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Friends of the Museums of Florida History, Inc.'s internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Friends of the Museums of Florida History, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Report on Supplementary Information

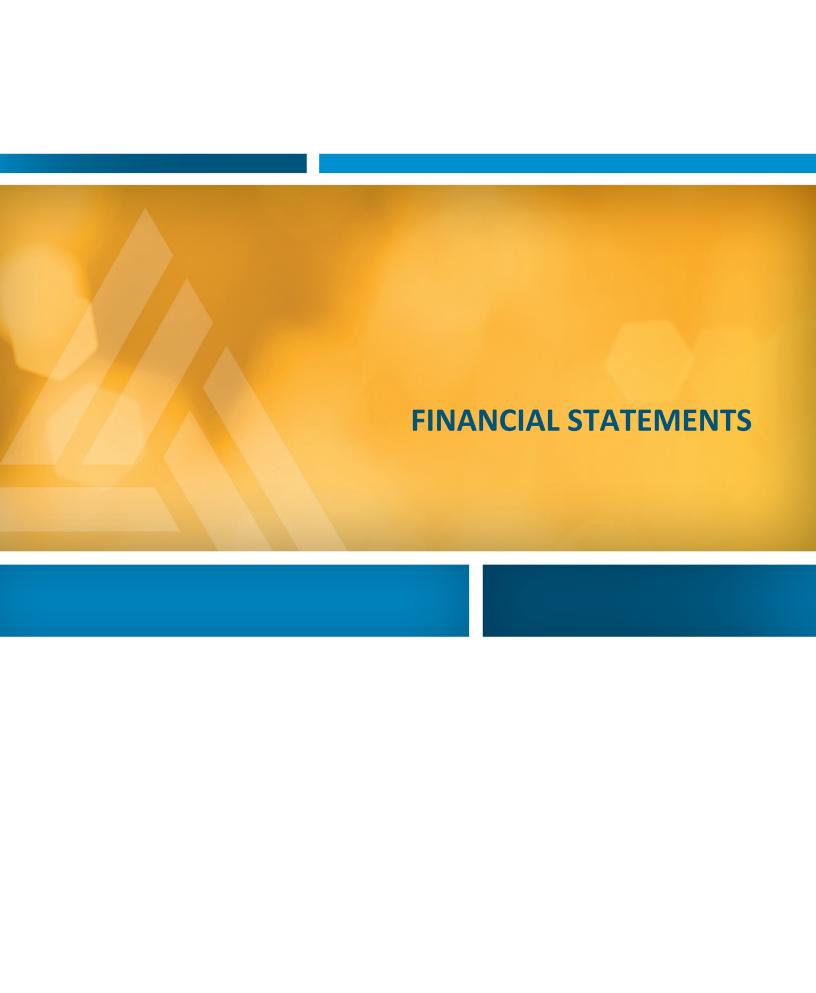

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of support and revenue and schedule of expenses on pages 19-20 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling

such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### **Note 1: DESCRIPTION OF THE ORGANIZATION**

Friends of the Museums of Florida History, Inc. (the Organization) was incorporated on December 14, 2001 as a Florida not-for-profit corporation. It was organized exclusively for charitable and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code to conduct programs and activities, sponsor research, sponsor promotions, raise funds, request and receive grants, gifts, contributions, dues and bequests of money, real and personal property; or acquire, receive, hold, invest and administer securities, funds, objects of value, or other property, real or personal; and, make expenditures and distributions to or for the benefit of the Museum of Florida History, Florida Department of State (the Museum). On July 1, 2004, the Organization approved the combination of Friends of the Museum of Florida History, Inc., Friends of the Knott House, and Friends of the Old Capitol into the Organization. The mission of the Organization is to enhance and perpetuate historic properties and museums managed by the Museum of Florida History for the people of Florida and its visitors through assisting and advising the Museum on a statewide basis in the following ways:

- Developing and maintaining general membership support for the purposes of the Organization.
- Developing and providing staff services and merchandise, including, but not limited to, books, cards, stationary, postcards, and pamphlets for the gift shops at the Museum of Florida History, the Old Florida Capitol, the Knott House Museum and other locations deemed appropriate by the Organization and the Department of State, Division of Historical Resources.
- Providing a vehicle for grant funding and special projects for the Museum's Florida Heritage Education Program, for the Florida History Fair, and for permanent, changing, and traveling exhibits.
- Providing support and recognition programs for the volunteers of the Museum.
- Making expenditures, distributions, and publications to or for the benefit of the Museum of Florida History.

The Organization conducts the following programs:

Education – The Organization administers various educational programs to support the mission of the Museum.

Exhibit – The Organization provides support for its various museum exhibits.

Knott House – The Organization provides support for the activities of the Knott House Museum.

*Membership* – The Organization provides various benefits for members of the Museum.

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

#### **Use of Estimates**

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

The Organization maintains separate cash accounts for restricted and designated purposes. Restricted cash is held in a separate account according to donor restrictions, which require the cash to be expended for a specific purpose. For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

#### Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances, which may affect the ability of members to meet their obligations.

Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

#### Inventory

Inventory consists of merchandise held for sale in the gift shops. It is stated at the lower of cost or net realizable value. Cost is determined by the first-in, first-out method. When evidence exists that the net realizable value of inventory is lower than its cost, the difference is recognized as a loss in the statement of activities in the period in which it occurs.

#### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Investments**

The Organization reports investments in marketable securities with readily determinable fair values at their fair values in the statement of financial position. Unrealized and realized gains and losses from changes in the fair value of investments are reported in the statement of activities net of related expenses.

#### **Property and Equipment - Net**

All acquisitions of property and equipment in excess of \$500 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance that do not materially prolong the useful lives of assets are expensed as incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

#### **Net Assets**

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations, and designations established by the governing board. The governing board has designated, from net assets without donor restrictions, net assets in support of specific programs.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Contributions with donor restrictions that are both received and released within the same year are recorded as an increase in net assets with donor restrictions and as a satisfaction of program restrictions.

#### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Revenue Recognition

Gift shop sales are recognized as revenue when performance obligations under the terms of the contracts with customers are satisfied.

Contributions, grants, education programs and exhibit revenues are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

#### **Donated Services and Facilities**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated facility usage is recorded as contributions at their fair values at the date of donation.

#### Functional Allocation of Expenses

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services based on considerations of time and space utilized for the relative activities. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

#### **Advertising**

Advertising costs are expensed as incurred. The Organization incurred \$842 in advertising expense during the year ended June 30, 2023.

#### **Income Taxes**

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code with the exception of any unrelated business income. There was no unrelated business income during the year ended June 30, 2023.

#### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Subsequent Events**

Management has evaluated subsequent events through the date that the financial statements were available to be issued, March 13, 2024, and determined there were no events that occurred that required disclosure.

#### **Note 3: LIQUIDITY AND FINANCIAL ASSET AVAILABILITY**

The Organization maintains its financial assets primarily in marketable securities and cash and cash equivalents to provide liquidity to ensure funds are available as the Organization's expenditures come due. The following reflects the Organization's financial assets as of the statement of financial positon date, reduced by amounts not available for general use within one year of the statement of financial position date because of contractual or donor-imposed restrictions.

As of June 30,	2023
Total assets at year-end	\$ 1,499,071
Less non-financial assets	
Property and equipment - net	(5,224)
Financial assets, at year-end	1,493,847
Less those not available for general expenditures within one year, due to contractual, donor-imposed restrictions, and board designations	
Restricted by donor with time or purpose restrictions	(1,059,928)
Board designations	(119,710)
Financial assets available to meet cash needs for expenditures within one year	\$ 314,209

The Organization is principally supported by contributions and investment income. Management has the ability to significantly curtail program expenses in response to cash shortages.

#### **Note 4: INVENTORY**

Inventory consists of retail items held at the following locations:

June 30,	2023
Florida History Shop	\$ 44,260
Old Capitol	13,453
New Capitol	11,863
Total inventory	\$ 69,576

**Note 5: INVESTMENTS** 

Investments in marketable securities consist of the following:

June 30, 2023	Cost	M	arket Value
Certificates of deposit	\$ 608,333	Ş	608,333
Mutual funds			
Equities	265,238		269,042
Fixed income - bonds	100,046		86,603
Real estate	8,858		8,085
Fixed income - US Treasury	2,766		2,766
Total investments in marketable securities	\$ 985,241	\$	974,829

#### Note 6: PROPERTY AND EQUIPMENT - NET

Property and equipment – net consists of the following:

	Estimated Usefu		
June 30,	Lives (in years)		2023
Furniture and fixtures	5 - 10	\$	34,282
Equipment	5 - 10		9,653
Renovations	30		8,599
Total property and equipment			52,534
Less: Accumulated depreciation			(47,310)
Total property and equipment - net		\$	5,224

Depreciation expense for the year ended June 30, 2023 was \$1,019.

#### **Note 7: NET ASSETS**

A summary of net assets without donor restrictions follows:

June 30,	2023
Undesignated	\$ 313,005
Board designated	
TREX Program	113,414
Florida Heritage Education	4,296
General Support Contribution	2,000
Total net assets without donor restrictions	\$ 432,715

#### **Note 7: NET ASSETS (Continued)**

A summary of net assets with donor restrictions follows:

June 30,	2023
Purpose restricted	
Florida Cultural Endowment	\$ 600,000
James Knott	214,793
Charles Knott	151,702
Viva Florida 500	29,146
Knott House	28,095
Florida History Fair	21,326
Acquistion Fund	4,300
Florida Inspired	3,729
Emancipation Day	3,706
Educational Programs	1,765
Women's History Collection Fund	927
Poetry Programming	297
Support Your ST History Museum	142
Total net assets with donor restrictions	\$ 1,059,928

#### **Note 8: REVENUE**

The Organization recognizes revenue at a point in time for its gift shop sales and education programs. As of June 30, 2023, there are no performance obligations to be satisfied.

A summary of disaggregated revenue information follows:

June 30,	2023
Contracts with customers	
Recognized at a point of time	
Gift shop sales, net of cost of goods sold	\$ 69,696
Grants and contributions	
In-kind contributions	154,483
Contributions and memberships	15,125
Education programs	51,459
Exhibits	16,102
Other revenue	
Investment income, net of expenses	31,743
Facility use and rental income	3,608
Miscellaneous	284
Total revenue and other support	\$ 342,500

The Organization's customers are primarily visitors of the Museum, including school groups from Tallahassee, Florida and surrounding areas.

#### **Note 9: CONTRIBUTIONS IN-KIND**

All donated retail space and staff salaries were utilized by the Organization's supporting services. There were no donor-imposed restrictions associated with the contributed retail space and staff salaries.

The components of donated retail space and staff salaries contributed to the Organization consists of the following:

For the year ended June 30, 2023	Donated Retail Space	Donated Staff Salaries	Total
Supporting services General and administrative	\$ 27,368	\$ 127,115 \$	154,483
Total	\$ 27,368	\$ 127,115 \$	154,483

The State of Florida, through the Division of Historical Resources, Department of State, provides support to the Organization in the form of contributed personnel and occupancy costs. Donated retail space is recorded as contributions at their fair values at the date of donation.

#### **Note 10: ENDOWMENTS**

The Organization's endowment consists of a donor-restricted fund, the Florida Cultural Endowment. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

<u>Interpretation of Relevant Law</u> - The Organization is governed by Florida Statute Chapter 617.2104 - *Florida Uniform Prudent Management of Institutional Funds Act.* The Uniform Prudent Management of Institutional Funds Act (UPMIFA) was enacted in the State of Florida during the 2011 legislative session and had an effective date of July 1, 2012. Unless a donor imposes a restriction to the contrary, all endowment funds at the Organization adhere to the spending policy adopted by the Organization's Board of Directors. Florida Statute does not require preservation of the fair value of the original gift, but rather specifically states that spending may include investment appreciation as well as principal.

<u>Investment Return Objectives, Risk Parameters and Strategies</u> - The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets. Those policies attempt to achieve a competitive long term rate of return and marketability within reasonable and prudent levels of risk. The Board seeks to create a conservative, well diversified, and balanced portfolio.

#### Note 10: ENDOWMENTS (Continued)

**Spending Policy** - Funds generated from the investment of principal shall only be expended for operating costs incurred while engaging in programs directly related to the Organization's mission. Funds generated from the investment of principal include realized and unrealized appreciation as well as natural income from dividends, interest and realized gain. Endowment funds may not be used as collateral.

With regard to donor-restricted endowments, the Organization respects and enforces the donor's restriction to preserve the historic gift value of the fund. This project for the Florida Cultural Endowment is sponsored in part by the State of Florida through the Florida Department of State, Division of Arts and Culture, and the Florida Council on Arts and Culture (Section 286.25, Florida Statutes).

Changes in the endowment's net assets follow:

	2023
FL Cultural Endowment at July 1, 2022	\$ 600,000
Investment income (loss) for FL Cultural Endowment	5,598
Withdrawal from endowment to maintain original corpus	(5,598)
FL Cultural Endowment net assets, June 30, 2023	\$ 600,000

#### **Note 11: FAIR VALUE MEASUREMENTS**

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

#### **Note 11: FAIR VALUE MEASUREMENTS (Continued)**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023.

Certificates of deposit: Valued at cost which approximates the fair value of the account.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Assets and liabilities measured at fair value on a recurring basis, are summarized for the year ended June 30, 2023:

June 30, 2023	Level 1	Level 2	Level 3	Total
Certificates of deposit	\$ -	\$ 608,333	\$ - \$	608,333
Mutual funds				
Equities	269,042	-	-	269,042
Fixed income - bonds	86,603	-	-	86,603
Real estate	8,085	-	-	8,085
Fixed income - US Treasury	2,766	-	-	2,766
Total investments at fair value	\$ 366,496	\$ 608,333	\$ - \$	974,829

#### Note 11: FAIR VALUE MEASUREMENTS (Continued)

#### Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfer between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended June 30, 2023, there were no significant transfers in or out of Levels 1, 2 or 3.

#### **Note 12: CONCENTRATIONS AND CONTINGENCIES**

The Organization maintains cash with a financial institution in excess of the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000 by \$166,252 at June 30, 2023. Additionally, the endowment accounts are invested in professionally managed open-ended mutual funds. Such investments are exposed to various risks, such as fluctuations in market value and credit risk. Thus, it is at least reasonably possible that changes in these risks in the near term could materially affect investment balances and the amounts reported in the financial statements.
